ROAD TO SF

August-September 2026

Dear Friends and Family,

Thank you for your prayers and for your finaicial support these past couple of months! From the bottom of our hearts, we are grateful for the confidence you've placed in us, and for your interceeding before the Lord on our behalf. We truly could not be doing this without you! Whether it's a prayer, one-time donation, or monthly support, your contributions have allowed us to be one step closer to San Francisco. Our son Cohen Moss was born on September 8, 2026! We praise the Lord for a safe delivery and good health for both mom and baby boy. Thank you to those who have specifically prayed for Brooke during this time.

Over the last two months, although travel was reduced due to Brooke's pregnancy, I (Oren) was still able to visit seven churches in four different states. Although our schedule was reduced, I was still able to make weekend visits nearby while still taking care of Brooke and baby. I was able to travel through Virginia, Texas. North Carolina, and even got to visit a church here in Mississippi. I am always thankful for the opportunity to present God's call on our lives, as well as the honor of preaching His word. Even though our schedule was not as full, the Lord worked and we were able to pick up four new supporting churches! God is growing our support base, and we are so thankful for answered prayer and continued faithfulness. our schedule will start to pick back up in a few months, which will give us time to adjust to now being a family of four! Would you pray for us as we make the adjustment?

As we look ahead, we are so thankful for God's faithfulness to us. We are starting to see an end to the tunnel, and we are excited for this next step in our ministry. We are currently reaching out to churches in the western United States (Arizona, California, etc.). If you know of a church who you believe would be interested in having us present our ministry, would you reach out to us? Or, better yet, would you reach out to them so that they can know to expect a call/email from us? We appreciate any connections that you may have! Thank you for your prayers, and for your support as we seek to take the gospel to San Francisco!

With Grateful Hearts,

The Mosses
