

ROAD TO SF

December 2025

Dear Friends and Family,

Merry Christmas and Happy New Year! Thank you so much for your prayers and for your giving this past month. We also want to extend our thanks so those of you who have prayed for us as we grieve the passing of Oren's dad. Your prayers, words of encouragement, and financial donations have definitely made a difference as we sought to manage during this time of mourning.

We were thankful that the meetings we had in December were all relatively close to home. This gave us some much needed rest from our travels over the last few months. We were also able to spend time with family during the holidays. After enjoying the Christmas holiday with family and friends, we traveled to The Bahamas to attend the funeral service for Oren's dad. Although it was a time of sadness recalling fond memories, it was also a time of celebration for the life and testimony that Oren's dad was able to live. The best part? The assurance that we have in Christ that, even though death may separate us for a time, that joy cometh in the morning. We rejoice in the fact that Oren's dad is in the arms of his Lord and Savior Jesus Christ RIGHT NOW! What a blessing!

As we look to the future, we are continuing with the task that the Lord has called us to: **Church Planting in the least churched city in America, San Francisco, CA.** We continue to be encouraged by the Lord's provision. Even during this time of grief, the Lord has sought to provide additional supporters! We are now **just shy of 20% support raised!** Praise the Lord! We look forward to how God will continue to reveal himself to us in the new year! Would you pray for us as we seek to raise our additional support? If you are receiving these updates, and would like to contribute financially to our ministry, whether one time or monthly, please visit our website and follow the prompts! We appreciate your continued prayers and support!
