

ROAD TO SF

June-July 2026

Dear Friends and Family,

We cannot thank you enough for your prayers these past couple of months! Even during the slower summer months we were able to visit churches, connect with other believers, and had the opportunity to share the ministry the Lord has put on our hearts in San Francisco. We get more and more excited as the days go on!

Because of Brooke's pregnancy, we decided that I would make most of the appointments over the last two months alone. These meetings took me through Arkansas, Missouri, Kansas, and Colorado. Thank you so much to those who prayed for me and contacted me as I traveled solo for the first time since starting deputation. Although I was able to move around a bit easier, I would definitely prefer traveling with my family. The bachelor lifestyle gets old fast once you have a family! I am thankful to the churches who were accommodating to me during my travels. I was able to be involved in ministry and have some great conversations with several Pastors and ministry leaders about their ministries. We are thankful for the several new church partnerships we were able to make as well! Our support is continuing to grow!

This summer, I (Oren) decided to start a master's degree program at West Coast Baptist College. I will be studying to achieve a master's degree in biblical counseling. This program will help me to be better equipped for the ministry the Lord has led my family and I to. I know that it will be a benefit to myself and to those whom I will have the privilege of counseling and connecting with. Would you pray that I will be able to manage my time wisely and excel in this new adventure?

At this time, we are preparing to attend my brother's wedding. The wedding will be held in Rockford, IL on August 1, 2026. We have already been able to meet with family and friends who have gathered to support my brother. We ask that you pray for safety for myself and for my family as we travel. With many more trips planned, and our son on the way in just a few weeks, we have much to be thankful to God for! We are so grateful to you for your support of us and we look forward to our continued partnership!

Praises

- More churches and individuals added to our support team!
- Safety while traveling!
- Brooke and Baby boy are doing well!
- A busy schedule!

Prayer Requests

- A continued healthy pregnancy
- That more churches would see the need and support us financially
- For safety while traveling (especially for Oren who is traveling solo)

With Grateful Hearts,

The Mosses
