

ROAD TO SF

August 2025

Dear Friends and Family,

Thank you so much for your prayers and support this month! We've entered another busy season of deputation. We have been traveling to churches across the northeastern United States. We're grateful the Lord has brought us to this place, and we're excited to see what He will do.

This month took us through Arkansas, Mississippi, and Ohio. We began at the Spring River Bible Conference at Friendship Baptist Church in Highland, AR. The preaching and music were such a blessing, and we enjoyed reconnecting with pastors and missionaries we've met along the way. After a short time at home, we hit the road again—this time driving twelve hours to Ohio, our longest trip yet! Over the two weeks, we presented in five churches and were thankful for each opportunity to share our burden for souls in San Francisco. One church even took us on for support, a wonderful reminder of how God encourages us in His perfect timing.

As we continue traveling, our prayer is that God will guide us to the churches He wants us to partner with, strengthen churches to continue supporting missions, and bless the ministries already shining for Christ in San Francisco.

Thank you again for praying for us—we couldn't do this without you!

- The Mosses

Prayer Requests:

- Pray for safety while traveling
- Pray that churches will continue to partner with us
- Pray that our faith is increased
- Pray for souls to be saved in San Francisco, CA
