

ROAD TO SF

March 2026

Dear Friends and Family,

Thank you so much for your prayers and generous support this month—it truly means so much to us! It’s been a full and busy season, with our schedule nearly packed with meetings and conferences. We had the opportunity to visit six different churches, including two missions conferences, and even made two long trips between Texas and North Carolina. While the travel was intense, every meeting encouraged our hearts, and we’re so grateful for your continued faith in us and the ministry God has called us to.

We began the month in Spring Lake, NC at Layton Chapel Baptist, where we were honored to be one of the first missionaries presenting during their missions emphasis month. From there, we traveled to Kerrville, TX for Victory Baptist Church’s missions conference, where we were blessed by the preaching and sweet fellowship. We then returned to Wake Forest, NC for Neuse Baptist Church’s missions conference. This conference was especially meaningful as we shared our burden for San Francisco and connected with faithful, long-term missionaries. We closed out the month with meetings in Indiana and Ohio, finishing at Lindale Baptist in Amelia, where we quickly felt at home through mutual connections and a shared heart for missions.

As we reflect on this busy month, we are reminded that we are truly living in answered prayer—both ours and yours. We are so thankful for each of you who make this journey possible through your support and encouragement. Looking ahead to this next month and the Easter season, we’re reminded of the true meaning behind it all. Beyond the celebrations, we want to stay focused on the incredible sacrifice made for all of us. Our prayer is that this season would inspire and strengthen all believers to boldly share the hope of Christ with those around them—both near and far!
