

# ROAD TO SF

September 2025

Dear Friends and Family,

Thank you so much for your prayers and financial support this month! We are truly grateful for every church that welcomed us and allowed us to share our ministry.

This month, we had the privilege of being in seven churches, including two missions conferences, across three different states. It has been one of our busiest months yet, but through it all, we have been blessed to see how God continues to provide as we seek to do His will.

After much prayer and seeking the Lord's guidance, we are excited to share that we will be moving to California next summer! Our plan is to finish deputation on the East Coast, and then, as we travel west to relocate, take the opportunity to present in churches along the way. We are praying and preparing to be settled in San Francisco by August 2026, ready to begin serving in the city.

As we look ahead, we ask that you continue to pray for God's will to be done in our lives. We are humbled to be a part of the work He is doing in the city and so encouraged by your faithful prayers and support.

## Prayer Requests:

- That we stay safe and in good health while traveling
- That churches/individuals will continue to see our vision and support us both prayerfully and financially.
- That we are constantly reminded to trust God for all of our needs
