

ROAD TO SF

March 2025

Dear Friends and Family,

Thank you so much for following along with us and our journey to reach the people of San Francisco! We had some amazing meetings in the month of March. As we finished up the missions conference at Eagle Heights Baptist Church in Missouri we made our way to Kentucky. Where we had meetings with Immanuel Baptist Church, Tabernacle Baptist Church, Grace Baptist Church, and Sturgis Baptist Church. We enjoyed our time of fellowship with these churches. We had the opportunity to be at Sturgis' missions conference. Where we met three other missionary families going to Brazil, South Africa, and Hungary. While in Kentucky we had the time to have a family day and tour the Ark Encounter before leaving for South Carolina. Calvary Baptist Church had a missions emphasis for every Sunday in March. We were able to present our ministry and fellowship with Pastor Cummins his church family. We are also very grateful for the Sims family for hosting us while we stayed in South Carolina. After a month and half of being on the road with all our winter clothing we were able to go home (Mississippi) to unpack and relax for a week. We finished March at Heritage Baptist Church in Alabama. We were able to share our burden for San Francisco and meet other missionaries that were apart of the church. As we travel around to different states and churches we can see that the Lord is working. He is faithful through it all.
