

# ROAD TO SF

January - February 2026

Dear Friends and Family,

Thank you so much for your prayers and for your giving these past two months! This month is a special month for us because it marks one full year that we have been on deputation! We've learned a lot, and have experienced the Love and provision of God along the way. We are so thankful, and so excited to see what the Lord has in store for this new year.

January was a month of transition for us. I mentioned previously about my father's death in December. We traveled to The Bahamas near the end of December through early January. It was a sad time, but a great time to connect with family and friends. January was a slower month because of a winter storm that passed through our area. We had to reschedule three different meetings because of it. February was much more eventful as we traveled to ten different churches in four different states with lots of miles in between! We enjoyed spending time with the Wilson Family; a family that was a part of our church in Hawaii and are now in Georgia. We are thankful for the opportunities we have to connect with friends and to share our burden for church planting in San Francisco to other churches. We especially enjoyed our tie in Texas where we were able to connect with friends from college. We met with the Taylors, the parents of a former colleague we worked with in Hawaii. What a small world we live in!

As we look to the future, with lots of travel plans, connecting with other churches, preaching, and ministering, we are excited to see how God will work in our lives. There have been so many of you who have encouraged us with your prayers, your words, and even with a small monetary donation. We thank each and every one of you for having faith in us and in our ministry. We are encouraged that the Lord has blessed and encouraged you through our ministry. Would you continue to pray as we seek the Lord's direction for our move to San Francisco? Pray that our support comes quickly as we seek to serve in this needy field!
