

ROAD TO SF

May 2026

Dear Friends and Family,

Thank you so much for your prayers and generous support this month! This month was very eventful for us. This month came with some of our longest travel days since beginning deputation. Even though the travel was long, we are happy to have had the opportunity to meet and connect with several different churches from several different states this month.

The month started with the conclusion of the missions conference in Virginia. We thoroughly enjoyed our time at Fairfax Baptist Temple and the many friends we were able to meet. We then traveled home for some much needed rest after a busy season of travel. After another doctor's appointment (Baby boy is doing fantastic btw!), we were able to celebrate Haven's birthday with family and friends. We then prepared for the 20-hour drive that would take us to South Dakota. We were able to stop half-way through to Mission View Baptist in Kansas City, MO to connect with them for their midweek Bible study. Mission View, one of our supporting churches, has been a great encouragement and blessing to us while on deputation. We finished the drive and spent the next two weeks in South Dakota visiting, presenting, and preaching at different churches around the state. We were able to visit four churches during our time there, and one church, Bethel Baptist in Rapid City, has already voted to support us monthly! Praise the Lord! We finished the month down in Chattanooga, TN where we were able to present our ministry and preach at Calvary Baptist Redbank.

We are excited that our support, as well as our family, is continuing to grow! We are praying that by this time next year, we will be nearly, if not fully, supported financially. As the due date is fast approaching, Brooke will start to reduce her traveling. Please pray for Oren as he will be transitioning to solo travel over the next few months in preparation for the baby. We've also had a few minor repairs done on our vehicle. Please pray that our car will continue to be a reliable source of travel for us! Prayer is such a vital part of our ministry and has proven to be a vital part of your faithfulness in supporting us. We ask that you continue to pray for us as we travel, visit churches, and share our burden to reach the people of San Francisco with the gospel!

Praises

- More churches added to our support team!
- Safety while traveling (around 20 hours to and from South Dakota)
- Brooke and Baby boy are doing well!

Prayer Requests

- A continued healthy pregnancy
- That more churches would see the need and support us financially
- For safety while traveling (especially for when Oren will be traveling solo)

With Grateful Hearts,

The Mosses
