

ROAD TO SF

October 2025

Dear Friends and Family,

We are thankful for another busy but encouraging month on the road! Altogether, we traveled about 2,100 miles through Ohio, Maryland, Michigan, West Virginia, and New Jersey. We're rejoicing for over 15% support raised!

It has been such a blessing to be loved on and encouraged by so many churches and individuals along the way. We're grateful for every prayer, kind word, and financial gift that allows us to keep sharing the vision for church planting in the San Francisco Bay Area.

We were honored to take part in two missions conferences this month—New Life Baptist Church in White Marsh, MD and Odenton Baptist Church in Odenton, MD. Both were highlights, and we especially enjoyed speaking to children and students who asked such thoughtful questions about missions and serving the Lord. Even as a missionary, we have been encouraged by the presentations and the preaching at each missions conference. We pray that we never lose our heart for individuals to come to Christ!

Next month, we'll be traveling to Hawaii to visit our sending church and connect with other Baptist churches on the islands. Please pray for safety in travel and that the Lord would continue to burden our hearts for souls everywhere He allows us to go.

- The Mosses

Prayer Request

- Safe travels to Hawaii
- That churches and individuals will continue to see our vision and want to support us both prayerfully and financially.
- For the people of SF

Praises

- Health and safety as we have traveled
- Wonderful outpouring of love and support this month
