

ROAD TO SF

September-October 2024

Dear Friends and Family,

Thank you so much for your continued prayers as we seek to share the need in San Francisco with fellow laborers. Within the last two months, we have been both challenged and encouraged on our deputation journey. Admittedly, the process has been a bit more tedious than I had originally imagined. Nevertheless, God has continued to bring other believers to act as a steady source of encouragement for my family and I during this time. In September, we had the opportunity to preach and present at Emmanuel Baptist Church in Bay St. Louis, Mississippi. We are so thankful to Emmanuel for accommodating us during our brief stay, and for their willingness to hear about the need in San Francisco. We also had the amazing opportunity to be apart of our first missions conference, at Liberty Baptist Church in Newport Beach, CA. We were blessed to be apart of the many activities held at the church, and got the opportunity to meet fellow missionaries from Cambodia, Mexico, the Philippines, and California. During the week, I was given the opportunity to preach in chapel in their christian school. Surprisingly, we were able to meet and catch up with friends from college and from Hawaii who now attend/work at Liberty Baptist Church. I was encouraged by Pastor Thompson at Liberty to not grow weary during this time, but to be confident in the calling that God has placed on our lives.

Haven is growing and learning many new developmental skills. We are enjoying every minute with her and looking forward to our first Thanksgiving and Christmas together as a family of three.

Prayer Request:

- **Moss Family:** Pray for deputation! We are slowly but surely getting more appointments to present. Pray that the Lord will point us in the right direction to the right churches who will support us on our mission.
- **Other:** Pray for the missionaries we had the opportunity to meet:
 - Missionaries to Mexico City: The Kim Family
 - Missionaries to Cambodia: The Sann Family
 - Missionaries to the Military (Twenty-nine Palms): The Minnick Family
 - Missionaries to the Philippines: Mr. and Mrs. Melton
