

ROAD TO SF

April 2026

Dear Friends and Family,

Thank you so much for your prayers and generous support this month! The Lord blessed us with **five new supporting churches**, bringing us one step closer to our vision of planting churches in the San Francisco Bay Area. We are incredibly thankful for His continued provision!

This month took us through Texas, Indiana, Kentucky, Connecticut, Virginia, and many places in between. We visited six different churches, including two wonderful missions conferences at Trinity Baptist Church in Big Spring, TX, and Fairfax Baptist Temple in Fairfax Station, VA. To say that we were spoiled would be an understatement! Both churches were such a blessing to us through their kindness, encouragement, and heart for missions. We enjoyed presenting our ministry, connecting with church members, and fellowshiping with other missionaries. Oren also had opportunities to sing special music and preach a chapel message at Fairfax Baptist Temple's Christian school.

Many of you already know that Brooke is expecting our second child, a baby boy due in September. We are excited to welcome this new addition to our family! While we have made a few adjustments to our schedule, we are continuing to book meetings and travel throughout the year. Please pray that the remainder of our calendar will fill with meetings and that Brooke will have a healthy pregnancy and delivery. We are grateful for your faithful prayers and support as we continue preparing to minister in the needy field of San Francisco.

With Grateful Hearts,

The Mosses

Prayer Requests

- Pray that churches will continue to support us.
- Pray for safety! We have some big travels this month
- Pray for Brooke's and the Baby's good health during this pregnancy

Praises

- We are at about 30% of our needed support!
- Our baby boy is growing exactly how he should and is showing no signs of physical impairments!
