

ROAD TO SF

November 2025

Dear Friends and Family,

Thank you so much for your prayers and for your giving this month! We want to wish you all a Happy Thanksgiving! As we reflect on this holiday, we want to be encouraged to give thanks to the Lord for his goodness and mercy. May we never forget to live with gratitude to God for all that He has done for us and all he has brought us through. We are excited to have completed another month of full time deputation! This month was filled with both highs and lows for our family; however, we remain committed to the ministry that the Lord has called us to do in the city of San Francisco!

We finished our three month tour in the northeast United States in Indianapolis, IN. After a short but busy trip there, we traveled back to our home base in Mississippi for some much needed rest. After taking a couple of days to rest and reset, we traveled to our sending church in Hawaii to connect and give a ministry update. We are so thankful to our Pastor Skip Woodfin, and our church family at Ko'olau Baptist Church, for hosting us and loving on us while we were on island. We also had the opportunity to present our ministry to two other churches on island. We thank Pastor Soto at Kai Point Baptist and Pastor Reid at Friendship Baptist for accommodating us while we were on island.

While in Hawaii, I (Oren) received a message from my mother that my father had taken a turn for the worst. For those who don't know, my father had been in the hospital since September 30th. So many of you have prayed for my dad and for my family over the past several weeks, and for that, I am truly thankful. I was able to reroute my return flight from Hawaii so that I could travel to The Bahamas and see my Dad and spend time with family. I am sad to say that my dad passed away on November 26th. While we as a family are saddened by the news, we are encouraged by the fact that he knew Jesus Christ as his personal savior. This means that he is in Heaven now, and that we will see him again.

Although this month has had its challenges, we have been so encouraged by the outpouring of love and support from our friends, family, and supporters. I am reminded from scripture of the promise that God has given us all that he will never leave us nor forsake us. It was this promise and others that has kept me encouraged even in the face of tragedy. Would you please pray for my family as we manage during these difficult times? We thank you for your prayers and for your continued support as we seek to reach the city of San Francisco, CA with the gospel of Jesus Christ!
